“Jesus, Mary, I love You! Save Souls!”

God is so loving and merciful that every time you pray the above “Act of Love” prayer (from the heart, of course), He saves one soul!

The following are Jesus’ words to Sr Consolata Betrone: ***“Whether you are working, eating, drinking, or sleeping, do everything with a great deal of love, for I thirst for love. Love is what I look for in every work.” “…you know I love you very much! My Heart is divine, yes, but it is also human like yours; and so it longs for your love, for your every thought.” “I will think of everything, even down to the smallest details. You, think only of loving Me." “I prefer an act of love and a communion of love to any other gift…” “[Jesus] forgives an entire lifetime of crime in return for a single act of love.” “An act of love on your part can decide the salvation of a soul, its eternal salvation.”***
