

Jesus: I, My children, call you to be Me to this world. This world has deceived itself in every way to all sin. They have watched television and movies turn right to wrong and wrong to right.

I preach to you this day: what is right is right and what is wrong is wrong! The world preaches deception and untruth. To be in the world is to become very sick. You can no longer straddle the fence and be of Me. You are either Godly or worldly. To remain fixed to this world, to try to make sense of a sick, godless society, is to become sick and godless yourself.

Yes, My little ones, I call you to sainthood. I call you every waking moment of your day to preach the word of God. My love within you should be a force mightier than any explosion. It is a force that can never be contained.

As you, through the Holy Eucharist and adoration, sit with Me, you bake as in an oven. You receive My power in your baking. You store up, as in a battery, a power that is emitted from your very being. I, little ones, have all the power. In one second I could snatch you from your comfort and take your breath away. What, little ones, is keeping you from your sainthood?

Is it the way you treat your brothers? Do you say, "Oh, it doesn't matter that I am cold"? Is it a hidden sin that you keep ever so slight, but tell yourself it doesn't matter? Do you talk about others and fail to see Me inside of their hearts?

Remember, My little ones, you are My chosen ones. I love you with a burning, ardent love. I never ever leave your side for one second. You are My workers in this cold world. Your brothers may never be touched except as you preach My gospel. Their souls may depend on how you emit My love from your heart.

"But," you say, "Lord, Lord, I don't want to be nice to that nasty person. I will just be tolerant and not nasty back."

I, Jesus Christ, Son of the Living God, say I call you, My chosen ones, to a life of sainthood and holiness. You are the preachers of My gospel. You are My hands. You are My heart. You are Me, dwelling and living in this world.

Those in darkness may never be touched unless you, My special ones, choose first the kingdom of God and choose to love the unloving.

Yes, I say, love the unloving! I call you to sainthood, My little ones. I call you to let Me possess your soul and operate from your very being.

When I died on the cross, My arms were open wide. My whole position on the cross was that of greatest surrender. I call you to this surrender. Hold not back your feeble hearts. Open wide the gates and let My love pour from your very souls. Do not come to Me with your arms closed or open halfway. Come as I came to you. The way to Me is the Way of the Cross.

Feel the love of Jesus deep in your breast. Meditate on Me, hanging so selflessly on the cross for love of you. I am Jesus, Son of God, I loved you to My death. I love you this same way this very day. Sweet one, if you were the only one, I would die for you alone this very day.

I am this same Jesus. I am in your midst. I live and dwell in your brothers. I come to you, Body and Blood, Soul and Divinity, in Holy Communion and in the tabernacle. I am Jesus Christ, Son of the Living God! I am alive in your hearts.

You come to Me in Holy Communion. I wait, I long for your union with Me. I am your ardent lover. I pour out to you the same love I had for you the day I died on the cross.

You come and I shower you with My love. Stay with Me after Communion. Sit with Me. These are My most golden moments to shower My love on you.

You, My little ones, busy yourself with such senseless tasks. I am Jesus, the King of Glory! I am the King of the Kingdom of Heaven and I come to you, My little sweet ones. I humble Myself and come to you. What do you receive? You, in Holy Communion, receive Jesus, God-made-man.

Oh, how are you today? The tongue is the doorway to the soul. How is your tongue? Is it worthy for such a King?

Who are you that Jesus, Son of God, comes to you? You, My child, are My beloved. You are he who is unworthy to tie My bootstraps, but I come to you with such love and longing and give Myself to you. Is your tongue pure? Have you been holy in your speech about others? Have you used your tongue to preach My love? Is your tongue worthy for the King of Heaven?

I give you such honor, such dignity. I, God, long to be united to you in Holy Communion. I came to earth and died a brutal death for you, for love of you. I, in total surrender, holding nothing back, chose to spread My arms in total submission and die for you. Do I love you any less today? I am Jesus, Son of the Living God. I love you today the same as the day I died for you. I spread My arms in total surrender and gave My all for love of you.

Can you refuse Me when I ask you to love one another? How did you preach My gospel today? How was My love given to your brothers?

My sweet ones, My life I gave that you might live and have life eternal. Life here is but a fleeting moment. It is like a billowing smoke, black and thick, and then, poof, it is gone and there is no trace! Such a few years here for such a great reward!

The Kingdom of God waits for you. What a treasure! You possess the keys to the Kingdom. They are found in the love in your hearts. You will inherit a reward far beyond any comprehension. You will be escorted by a heavenly court into My kingdom. You will see the face of God and you will live. This is but a test--a fleeting moment--for such glory!"

"I am the Sacred Heart of Jesus. I am your God. I am calling to you. Will you listen or will you be numb to My pleading? I yearn for your love. Come and sit with Me every day. Sit in front of My tabernacle so I can give you what you need. Pray the Prayer for Union with Jesus.

I am Jesus, the Son of God. I cry out to you to preach My love. Spread these messages. Tell all you meet that I, Jesus, am alone. I am in your midst and I love you this very day. I wait for you in the tabernacle. Come and be with Me every day. This is all that you need. I give you everything. All will work when you come to Me to get your supplies.

Come to Mass and Communion daily. I wait for you to come and be in union with Me. I want to be so close to you. I love you all and I am asking you each to busy yourself about your love affair with Me. Make Me first in your life. Give Me all you are. Pray My Prayer for Union all through the day.

It is your union with Me that will change this world. You will light the lights of the souls in darkness. They will see the might of God in your soul. Energy will be emitted from your very being. You will be as you are, My most important workers, just in your being, if you surrender and be about our love affair!

It's so simple. Come to Me, be united in Communion, pray with Me in silence after Communion, pray to the Holy Spirit for all of His gifts. Pray, lay hands on each other for strength. I am Jesus. I am alive. I will live in you in such a way that you will do such wonders, just in your being more in love with Me. I love you all dearly. Open yourselves. Be selfless and let Me possess your soul! I love you. Jesus"

Prayer for Union With Jesus: *(Pray often daily) "Come to me, Lord, and possess my soul. Come into my heart and permeate my soul. Help me to sit in silence with You and let You work in my heart. I am Yours to possess. I am Yours to use. I want to be selfless and only exist in You. Help me to spoon out all that is me and be an empty vessel ready to be filled by You. Help me to die to myself and live only for You. Use me as You will. Let me never draw my attention back to myself. I only want to operate as You do, dwelling within me. I am Yours, Lord. I want to have my life in You. I want to do the will of the Father. Give me the strength to put aside the world and let You operate my very being. Help me to act as You desire. Strengthen me against the distractions of the devil to take me from Your work. When I worry, I have taken my focus off of You and placed it on myself. Help me not to give in to the promptings of others to change what in my heart You are making very clear to me. I worship You, I adore You and I love You. Come and dwell in me now."*
