"Jesus, Mary, I love You! Save priestly souls, save souls! I beseech You! Grant me to repeat this Act of Love a thousand times with my every breath, my every heartbeat."

Imprimatur N. 26, Vicariatus Romae 29.11.2013

God loves you ardently and needs you urgently!

Jesus revealed to Justine Klotz (1888-1984) that this new "Act of Love" "multiplied a thousand fold" is a "nuclear part with no equal" "so infinitely great for each soul, and forever." Please, pray it often & with great trust, so that many, many souls may receive God's forgiveness and spend all of eternity in Heaven.
