

### On Prayer

***"My child, you must understand that when you come to Me in prayer, if only for a moment, I am consoled. My heart is comforted, which allows Me to give you untold graces, of course, but also, your prayer allows Me to soften My justice toward others who never seek Me. When you meet Me face to face, you will see clearly every happiness you have caused Me. I need you and so appreciate any fidelity offered to Me. If only for the sake of repayment you should come to Me often, as I reward each prayer, each glance, each petition even, beyond anything you might imagine."*** -Jesus via [DirectionforOurTimes.com](http://DirectionforOurTimes.com)

***"You may feel nothing on some days, but you must persevere and believe me when I tell you that on those days, when you feel nothing, you are saving as many souls through your smallest prayers as on the days when all of heaven seems open to you. Smile now, and let everyone you meet see the smile of Jesus. You are a soul who is being held close to my heart."*** -Mother Mary in Vol 1 ([DirectionforOurTimes.com](http://DirectionforOurTimes.com))

***"No prayer, no sacrifice is too small or is ever ineffective..." "Take for instance one Hail Mary. If it is recited with a loving heart it brings with it the power to convert a soul, to stop a war, to deliver a soul from purgatory, even to change the future of the world. See then that the love in your heart when you pray determines the power of the prayer."*** Jesus via [holyllove.org](http://holyllove.org)

***"...realize that your prayers offered with humility and heartfelt love ransom many souls from the path of perdition and onto the path of righteousness. Persevere, then, in heartfelt prayer, for many souls depend on your efforts."*** -Jesus via [holyllove.org](http://holyllove.org)

***"...please understand that your prayer life is the mortar that holds the bricks of virtue in place. Without mortar, bricks crumble and fall. Without prayers, virtues are replaced with weaknesses and sin."*** -St. Thomas Aquinas via [holyllove.org](http://holyllove.org)

***"The practice of Holy Love is a prayer. Every deed should reflect kindness and patience towards others. Thoughts and words should also do so."*** -St. Francis de Sales via [holyllove.org](http://holyllove.org)

### On the Love of God

***"I would recreate the whole universe just to hear you say you love Me."*** -Jesus to St. Teresa ***"[Jesus] forgives an entire lifetime of crime in return for a single act of love."*** ***"Whether you are working, eating, drinking, or sleeping, do everything with a great deal of love, for I thirst for love. Love is what I look for in every work."*** ***"I will think of everything, even down to the smallest details. You, think only of loving Me."*** -Jesus to Sr. Maria Consolata Betrone

The following new, updated "Act of Love" was revealed to German Mystic Justine Klotz (1888-1984), as ***"a nuclear part without equal"*** ***"so infinitely great for each soul, and forever"*** for these times of darkness yet grace:

***"Jesus, Mary, I love You! Save priestly souls, save souls! I beseech You! Grant me to repeat this Act of Love a thousand times with my every breath, my every heartbeat."***

### Messages of Mercy

***"My Heart is ablaze for such love of you. Focus on My love for you and you will be set free of all worries. Focus on this feeling you experience in your chest, the love of God, so full for you! Preach the gospel in your being. Every moment, think of this burning, ardent love I have for you. Experience this feeling and you will run and not get weary, you will fly on eagle's wings. Your heart will love those you touch."*** -Jesus (read more Love Letters via [sofc.org](http://sofc.org) → [Books](#) → [God's Blue Books](#))

***"I invite you to understand that your smallest effort in prayer, sacrifice or fasting does not remain small but affects the entire cosmos-- the whole universe; therefore, do not be discouraged in the least little effort, for I take it and make it great."*** -Jesus via [holyllove.org](http://holyllove.org)  
***"Prayer is oxygen for the soul."*** -St. Padre Pio

***"...suffering saves souls."*** ***"You must begin to equate even your smallest crosses to so many souls rescued from darkness. " "All of your crosses, each one, obtain merit for your soul and salvation for others. The more unpleasant the cross, the more merit and salvation obtained."*** ***"See how willingly I accept this cross? If My children, even just My chosen ones, would accept their small crosses and say, 'I accept this cross in the name of Jesus Christ for the salvation of sinners,' I could save countless souls. Countless. The value of even a small thing offered to God is inestimable. You must understand that suffering will occur in every life. Use it for your holiness and for the good of your brothers and sisters."***

Christ revealed to St. Gertrude that every time one person receives Holy Communion, something good happens to every being in heaven, in purgatory, and on earth! Of course, one must be in a state of grace, that is, absolved from mortal sins via the Sacrament of Confession.

"If people come to Me, if they receive Me in Holy Communion, they are receiving God, fully present, into their breasts. Tell them to come with such reverence and devotion. Tell them to come with their hearts on fire. Tell them to receive Me and know that I am truly Jesus, the Son of God. Nothing can be more healing than receiving God in your breast. Nothing you ever do will compare to this union with God." -Jesus via [sofc.org](http://sofc.org) → [Books](http://Books) → [God's Blue Book 3](http://God's Blue Book 3)

"The time you spend with Jesus in the Blessed Sacrament" is the best time that you will spend on earth. Each moment that you spend with Jesus will deepen your union with Him and make your soul everlastingly more glorious and beautiful in heaven, and will help bring about an everlasting peace on earth." -St. Mother Teresa of Calcutta. Note: Jesus Christ, God-made-man, becomes truly present in every Holy Mass, and is currently ardently waiting, longing, yearning for YOU to come to Him truly present in the Tabernacles so He can shower you with His sublime gifts of heavenly peace, joy, and love! Don't delay! Your love affair with God Himself awaits! Daily Mass, Daily Adoration, and Time before the Tabernacle are what your souls craves "You enter My church, you walk My aisle. Your bridegroom awaits you in Communion. I am the bridegroom of your hearts. I come with such love to enter your soul. I am He Who walks with you to be united in Communion. I am Jesus. I am your true Love. I wait for you, My child. Please clean yourself up for My arrival! Think of My coming the day before and eagerly await our union. This is the greatest event of your life, union with God. Anticipate it with such eagerness, as the wedding of our hearts."

Dear God in heaven, I pledge my allegiance to You. I give You my life, my work and my heart. In turn, give me the grace of obeying You every direction to the fullest possible extent. Amen.

## The Importance of Your "Yes"

"It is crucial that souls listen to Me. I want to lead them away from the light. The enemy seeks to lead them away from the light. How I suffer because of this. Children, you must understand that you can no longer compromise with the world. Compromise is causing souls to be lost. If you, My chosen souls, respond to Me in a half-hearted, lukewarm way, we will never save the souls who are being battled about the world like so many embers from a fire. No. We must do better now. I want you to turn your eyes up to heaven and pledge your allegiance to My Father, who is all love."\*\*\* He will accept your pledge and consider you as soldiers of the light. Only then can we commence this rescue mission. Consider that there are many souls destined to be saved by you, through your sacrifices and loyalty to Me. Child of My heart, those souls will be lost. You will grieve them and mourn your lack of faith and diligence. I do not want to frighten My children but I must convey to you the seriousness of these times. We are releasing countless graces now, to assist you in the preparation for the coming of God's kingdom. Be counted as a follower of Christ during these times and you will live forever in the love that surrounds Me. You may say fearfully, "Lord, what can I do? I am only one person." Remember that there is no price for one soul. If one soul is worth dying for, and this is the truth, then how important is it that you respond to Me wholeheartedly so that I can save many through you? Truly, the graces at your disposal are countless. Your "yes" to Me today unleashes all manner of graces and sets into motion the saving of many souls who are being called from the darkness, now, as I am calling you. I am looking for quietness. I am looking for a calm defense of God. I am looking for consistent service and prayer. I am not calling you from the world. It is I who put you in the world, little children, and I intend to use you right where I have placed you. Move with confidence through your days and understand that it is I, your Jesus, your God, who is asking for your help. Do not turn your back on Me, dear one, for I love you and wish to save you." -Jesus via "Anne" in Vol 1 ([DirectionForOurTimes.com](http://DirectionForOurTimes.com))
