

**Jesus Speaks:** “Today I speak to My chosen souls. Heaven awaits you,

dear souls. You do not have to wait until after your death. Unity with Me is heaven, so you can experience a foretaste of heaven on the earth. **As I draw you deeper into My heart, you will begin to understand why My saints lost all interest in the world, except the saving of souls.** They concerned themselves with My desires only, which always placed their duty in life first. Today, My children concern themselves with all manner of nonsense. Children, you must see these things for what they are. They are a distraction from Me. The evil one wants to draw you away from prayer, from reflection, indeed, even from heaven. I am drawing you back to the light. Feel the pull of heaven as we cry out to you in warning. **Your sins count as nothing to Me, dear souls, but you must repent. I am all mercy, and want only to bring you home safely.** Humble yourself before Me, so that I may fill you with My graces. **Be assured that I have work for you.** Every soul is important and has a role to play in the coming of My kingdom. Will you leave your work to others, dear souls? That is not what I have willed. I have placed you here, in this time, to serve Me in a particular way.

**Say “yes” to Me, dear soul, and together we will begin.”** [DirectionForOurTimes.com](http://DirectionForOurTimes.com)

**Mother Mary speaks:** “I am here. Do not be afraid. I will lead you to Jesus and you will be happy and filled with gratitude for the way Jesus is calling you. Your difficulties will seem as nothing to you then. Persevere with trust. It will come to you. Again I tell you that you must practice. Do not expect great holiness without effort but your smallest efforts are being rewarded now. **Look at the many, many souls who are following the world’s ways and will be lost if God’s chosen children do not respond.** Let your hearts melt at the thought of this, my little ones, and help your mother to bring them all back safely to Jesus. It is this that we work for and this that we desire. **Be at peace because your mother loves you and will always protect you.”**

**St. Damien speaks** in [Volume 7: “Greetings from Heaven”](#): “This is not a time for half-hearted commitments. This is a time for dying to self and living for Jesus completely. If you begin this journey at all you will see what he can do through you if you are willing to allow him to work. With your ego firmly under control, you will marvel at the goodness of Jesus and the preparation he has given you without your awareness. Use every skill, every strength, and serve the Kingdom. We will all help you, as we keep reminding you. You can call on our help and we would like to put you into the habit of doing so quickly. It will be second nature to you when difficulties come. Brothers and sisters, the time of darkness is ending, it is true. But the enemy is not finished. He rallies people to his service to persecute the children of Mary. He seeks to erase God from God’s world. This is the process you are witnessing, **except now you see people fighting back. Heaven’s children are waking up and shaking off the lethargy that overcame them. So the battles begin in earnest. So be it.** Heaven is ready. You are ready. God will have his world back and his children will be safe again, but not without the struggle, which is what we are preparing you for through these words.”

**St. Monica speaks:** “You live in a time when Jesus returns to the world. This is the time of the Advent of the Second Coming. The triumphant return of Jesus is a core belief for the faithful. It is nothing to argue about or attempt to refute. I am telling you today that the Lord has begun to return through all who welcome Him in their soul. If you are a Catholic, you can be most effective by serving from within the Church. If you return to the Church, God can fill you until His graces overflow. This overflow pushes out into the world, spreading light in place of darkness and truth in place of error. This is the plan, my friend. This is the renewal. **The return of Jesus Christ today hinges upon your willingness to become holier.** The return of Jesus Christ today hinges upon your willingness to say “no” to selfishness and “yes” to Jesus. God is asking for your help.”

### **3 Ways to Help Save Souls and Experience Divine Intimacy:**

**1. Daily Morning Offering** (and Consecration/Allegiance Prayers)

**2. A Daily Hour of Silent "Tabernacle Time"** (reading a few Love Letters from Jesus in "[God's Blue Books](#)," preferably after Mass, while His Body and Blood are still present inside you)

**3. Fervent Daily Rosary** (and other little prayers/sacrifices like the 3pm Divine Mercy Chaplet)

The Divine Mercy Image and St. Faustina Diary quotes are owned by the Marian Fathers of the Immaculate Conception of the BVM

**At three o'clock, implore My mercy, especially for sinners; and, if only for a brief moment, immerse yourself in My Passion, particularly in My abandonment at the moment of agony. This is the hour of great mercy for the whole world... In this hour, I will refuge nothing to the soul that makes a request of Me in virtue of My Passion" (1320). "Oh, what great graces I will grant to souls who say this chaplet; the very depths of My tender mercy are stirred for the sake of those who say the chaplet" (848). "Even if there were a sinner most hardened, if he were to recite this chaplet [of Divine Mercy] only once, he would receive grace from My infinite mercy" (687).**

Jesus speaks in [Volume 2](#): "You were put on earth for this time so that you could serve Me and assist Me in ushering in My Kingdom. The time of darkness takes its final souls as I prepare to return. The result is assured, as I often remind you. **What is not assured is how many souls will choose light and how many souls will choose darkness.** Be influential, My children."

"If those who know and serve Me will make heroic efforts, many of these will be converted due to the extraordinary era of mercy in which you are living." -Jesus in "The Apostolate of Holy Motherhood"

#### **1. Daily Morning Offering/Other [Daily Prayers](#)**

If, upon arising, we offer ourselves to the Lord in the morning, He can preserve every moment of our day in eternity by using each to help in bringing down grace for ourselves, our families and indeed the whole world, as well as atone for and undo the damage of our sins on ourselves and others, to help in the salvation of many!

**"My dear Father, I offer You this day all my prayers, works, joys and sufferings, my every breath, my every heartbeat, my every thought, all my actions, in union with Jesus in the Holy Sacrifice of the Mass throughout the world, in the Holy Spirit, for the intentions of the Sacred Heart. I pray the Holy Spirit is with me every second today, enlightening me to do the will of the Father and filling me with the fire of God's love. I love You, Jesus, and I give You my heart. I love you, Mary, and I give you my heart."** Imprimatur: Most Reverend Daniel E. Pilarczyk Archbishop of the Archdiocese of Cincinnati. January 22, 1997. [sofc.org](http://sofc.org)

**Allegiance Prayer:** "Dear God in Heaven, I pledge my allegiance to You. I give You my life, my work and my heart. In turn, give me the grace of obeying Your every direction to the fullest possible extent. Amen."

**Jesus speaks:** "...when you pledge your allegiance to Me, you are then wrapped in great graces. These graces assist you in each moment and illuminate My will for you so that you can more easily make heavenly decisions" (11/1/05).

**\*Consecration to Divine Love:** "My Jesus, Divine Love Itself, I consecrate myself completely to You. In and through this consecration I unite my soul to Divine Love, understanding that in so doing I will be a martyr of love. I choose to seek only Your good pleasure in the present moment, Jesus. Thus, I surrender to You my health, my appearance, and even my own comforts. Through this surrender I pray that Divine Love will be victorious in every heart. Enfolded within this consecration to Your Divine Love, sweet Jesus, find my 'yes' to the Divine Will of God in every moment and with every breath." "I seek nothing that You would not have me seek. I love no person, place, or thing beyond Your Will for Me. I embrace every cross You permit and cherish every grace You provide. Amen."

Recite this prayer with the above "Consecration to Divine Love" prayer daily, and you will receive an angel by your side to assist you in faithfulness to the consecration:

"Heavenly Father, Lord Jesus Christ, and Holy Spirit of God, I come before You as I have consecrated my body and soul to Divine Love. I ask Your assistance in living out this consecration in every present moment. Help me to surrender to every cross, and to recognize and respond to every precious grace You place in my life. Through my consecration to Divine Love, I beg Your assistance in annihilating my own will and living in Your Divine Will. Amen."

**\*NOTE:** "When you surrender to Me your **appearance**, it means you are not distracted by the way others perceive you, either on the outside or the inside. This means you do not make excuses for yourself. You do not concern yourself for your reputation, so long as you are on the path of Holy Love. Further, it means you do not pride yourself on achievement, but understand all good is accomplished through Me. The only concern for your physical appearance should be that you appear simple, neat, and clean as My representative." "As to your **health**, often My Cross comes to you as a physical ailment. Do not let it become a physical complaint! Seek help in the world and allow Me to work through the medicine and doctors. Accept as God's Will a cure, or no cure." "As to your **comforts**: This is an area where many sacrifices can be given to Me. Do not always eat and drink only what you like best, but offer Me something less desirable." **\*\*** If you cannot sleep, instead of tossing and turning come to Me in prayer. Go after unpleasant tasks instead of avoiding them. In this, let your sacrifice be hidden. If you have a tendency to procrastinate, pray for the grace to overcome this, as it leads to confusion. Begin and finish all the tasks before you." "Do not avoid people who do not agree with you, or who you find unpleasant. Each person is put in your life so that you can be Holy Love to them." "In all of this, see God's Holy and Divine Will for you, for it is there" (10/15/99) "In this hour of decision, the smallest prayer or sacrifice can mean the difference between the life or death of a soul" (4/5/93) -Jesus via [holyllove.org](http://holyllove.org)

(\*\*In the words of Sister Emmanuel in "Freed and Healed Through Fasting": "Our heart is already big enough to hold God Himself, but fasting allows God to extend the boundaries of our heart and encompass all of the heavenly dimensions... This is why those who fast have a special spiritual sensitivity and sharpness." **"Only in heaven shall you know that, thanks to your fasting, thanks to your 'yes' to Our Lady, hundreds of thousands of young people have been protected from suicide, many young couples have been protected from divorce, many little babies in the womb have been protected from abortion."** To learn more about the power of Fasting on Bread and Water 1-2 Days a Weeks like in Medjugorje, read **"Fast for Me"** from [God's Blue Book 3](#))

## **2. A Daily Hour of Silent "Tabernacle Time" (Preferably After Mass)**

St. Mother Teresa: **"The time you spend with Jesus in the Blessed Sacrament is the best time you will spend on earth. Each moment that you spend with Jesus will deepen your union with Him and make your soul everlastingly more glorious and beautiful in Heaven, and will help bring about everlasting peace on earth."**

Jesus speaks: **"Consider today what your Jesus is asking of you. Consider how I am asking you to serve today. Dearest apostle, I must insist that you spend time in silence contemplating My will. I must insist upon this because I require your service in whatever way I have willed for you during this time. **If you give Me your full attention for a period of time each day, I can instruct you and prompt you. Also, I can give you a very important heavenly attribute and that is the peace that I need you to possess.** You must possess this for your own comfort, of course, but you must also possess this peace so that it flows through you into the world."** **"I would encourage souls to remove noise from their lives. Turn off the televisions. Turn off the radios. Many conversations are better avoided. In this new silence they will find their heart recollected. In their recollected heart they will find Me, who has been waiting for them."**

Jesus Speaks in [God's Blue Book 2: "My Heart Aches For You"](#): **"I am Jesus, the Son of God. I cry out to you to preach My love. Spread these messages. Tell all you meet that I, Jesus, am alone. I am in your midst and I love you this very day. I wait for you in the tabernacle. Come and be with Me every day. This is all that you need. I give you everything. All will work when you come to Me to get your supplies.**

**Come to Mass and Communion daily. I wait for you to come and be in union with Me. I want to be so close to you. I love you all and I am asking you each to busy yourself about your love**

affair with Me. Make Me first in your life. Give Me all you are. Pray [My Prayer for Union](#) all through the day.

**It is your union with Me that will change this world. You will light the lights of the souls in darkness. They will see the might of God in your soul. Energy will be emitted from your very being. You will be as you are, My most important workers, just in your being, if you surrender and be about our love affair!**

It's so simple. Come to Me, be united in Communion, pray with Me in silence after Communion, pray to the Holy Spirit for all of His gifts. Pray, lay hands on each other for strength. I am Jesus. I am alive. I will live in you in such a way that you will do such wonders, just in your being more in love with Me.

I love you all dearly. Open yourselves. Be selfless and let Me possess your soul!"

Our prayers are most powerful in the moments after Communion when God Himself inside us! To learn more secrets about the Eucharist, visit [MaryRefugeOfSouls.com](http://MaryRefugeOfSouls.com)

**"Do you hear the laments of our beloved Savior, the Almighty God, Who gave Himself and died on the cross? He is alive. He wants this burning love affair with us. Many of the Masses, many of our prayers, are said with lack of emotion in our hearts. He wants us to love Him with the deepest burning love, not to go through the motions. Every prayer is a love affair with our beloved Savior."**

-Rita Ring in "Rosaries from the Hearts of Jesus and Mary" via [sofc.org](http://sofc.org)

**NOTE: According to the [Pieta Book](#), every time one soul receives Jesus in the Holy Eucharist (in a worthy state of grace\*\*\*), something good happens every soul on earth, in Heaven, and in Purgatory! This is because as St. Paul explains about the Body of Christ, "If [one] part suffers, all the parts suffer with it; if one part is honored, all the parts share its joy" (1 Cor 12:26). Just think...your decision to get up a little earlier and attend daily mass could benefit the lives of BILLIONS! (And, of course, make your own soul more beautiful, Christlike and "capable of communing with God throughout eternity," as Jesus told St. Faustina.)**

Truly, NOTHING could possibly be more important than starting our day by receiving the King and Kings into our hearts to radiate the fire of His Love within us in all we do and to all we meet during the day. Prepare a few minutes before Daily Mass and stay after in silence with Him (for at least 20 minutes, since Our Lord is still physically present within you)... Don't run from Mass... Cherish these moment with your Creator, your Redeemer, your Lover, alive and at work deep inside your heart! Only on our deathbed will we each realize the infinite value of every Mass/Tabernacle visit! The more we received/loved the Eucharist on earth, the happier/higher up we will be in Heaven forever. In the words of the great French mystic, Marthe Robin, **"Our glory in heaven will be proportional to the fervor we put into our Holy Communions on earth."**

(\*\*\*State of grace= Free from all mortal sin. After a good [confession](#), Jesus, through the priest can instantly cleanse you of all sin, venial and mortal, and restore the original baptismal light, beauty, and purity to your soul, enabling you to receive Him again in the Holy Eucharist! So...what are you waiting for? Don't let your pride or fear stop you from being washed clean by God's Infinite Mercy and, like a spotless Bride, ready for all the joy, love, and peace that comes from [your daily divine love affair with Jesus God Himself, the Bridegroom of your soul!](#))

### **3. Fervent Daily Rosary (And Little Prayers/Sacrifices Throughout the Day)**

"I Love you and want you to love ME with all your heart. How can this be done? Well, unite your heart to My Mother's Heart and love ME with Her Heart. For Her Heart is a Flame of Love that is brightness itself. Her Love for ME is endless. It is a Heart that was created by and infused by ME with a Love that is pure and spotless. A Heart that is Immaculate. A Heart of a Perfect Mother, created for you and for all MY family. MY Mother loves without hesitation all the souls on the earth that love Her, and all the souls that don't- EVERYONE."

"...MY Mother is pleading for prayer, for conversion, for peace. The souls, the souls! She needs your prayers and all those of Her children to stop the devils from taking Her children to Hell. How would you feel if you saw souls carried away screaming and not being able to help them? Well, this is what is happening because **not enough prayers are being said.**"

**"One Hail Mary said with a loving heart has the power to stop wars, bring nature into harmony with God's plan, convert an unbeliever, save a vocation, deliver a soul from purgatory, and change the future forever. Think, then, of the power of a whole Rosary said with love."**

-Jesus on 9/18/1999 via [holylove.org](http://holylove.org)

Visit my YouTube channel: "[Leggegorego](#)" to watch a video on the "[The Power of a Single Hail Mary](#)" & more!

**"Love Me with the Heart of MY Mother and pray with Her to the Father with all of your heart for the freedom of the souls that will be carried away if you don't say the prayers for them."**

**"The harvest is at hand. The clock is ticking. Soon, it will be very hard to convert. No more time will exist for many that will be taken in an instant.† And for the others, they will be in such a state of shock, that unless prayers are said for them, they will be lost also. So pray, pray, pray. Please live your consecration to the fullest."**-Jesus in "Meditations: Learning the Divine Will" from Trentditional, (W 5111 Robin Court, Necedah, WI 54646, USA.) †Referring to the nearing [Warning/Illumination of Conscience](#)

**"Spread devotion to [the Rosary]. My Mother promised that if just one member of the family prays it every day, She will save that family. And this promise is signed and sealed by the Divine Trinity." "Each decade of the Holy Rosary you repeat, the angels gather and place as an offering at the feet of My Holy Mother." -Jesus to [Catalina Rivas](#)**

**Our Lady speaks in the various messages of Holy and Divine Love ([holyllove.org](#)):** "When you pray with love in your hearts, your prayers are eternal in value and affect souls, world conditions, and the propensity of God's Mercy" (11/19/04). "Satan knows that the Rosary is the weapon which will bring about his defeat. This is why he is desperate to discourage its use. **Every time you recite a 'Hail Mary' from the heart, the devil is weakened forever in some area and in some soul.**" "When your heart is most filled with distraction, understand the adversary is frightened of your prayers" (9/18/99). "The rosary deters evil inclinations and encourages deeper personal holiness." "When you pray the rosary with a loving heart, dear children, unite your prayer to every Hail Mary being recited in the present moment around the world. That way, I can send stronger nutrients of grace into your hearts and your lives. Such a rosary can deliver the most hardened sinner from Purgatory, convert the stoniest of hearts, strengthen vocations and resolve discord" (10/7/13).

**Mother Mary speaks in [Volume 1: "Thoughts on Spirituality"](#) as revealed to 'Anne, apostle of the Returning King':** "Prayer must be your lifeblood. We can provide you with a steady stream of grace and goodness, of confidence and courage, if you pray often. Did you set your prayer goals? Double them"

**"Think of all the small tasks you complete, barely giving any thought to them. If you offer them to us with love, we can use even the smallest action for the salvation of sinners."**

**"Be careful never to discard a soul for lost. Try, try, and try to call them back. I realize that souls in trouble can be very hurtful to my children. I do not want that and will protect you if you appeal to me. Often, you should love them and pray for them, leaving them to Jesus. **Remember that with many souls, your good wishes and prayers are enough to save their souls from perdition.** So do not fear. Be at peace, always, in these situations, and let your heavenly friends intervene. Your love can feel like a cross at these times, and so it is, dear children. Love can be a burden, but that creates strength in your soul."**

**"Do not think that the merit of your prayer is based on how you feel when you are praying. You may feel nothing on some days, but you must persevere and believe me when I tell you that **on those days, when you feel nothing, you are saving as many souls through your smallest prayers as on the days when all of heaven seems open to you.**"**

**Note:** In addition to reading at least one of [His Love Letters in God's Blue Books](#) a day, which He calls a "recipe for intimacy" with Him, (which will save many souls!), Our Lord has requested that we pray with and share these powerful [Rosaries from the Hearts of Jesus and Mary](#) which are available via [sofc.org](#) → [Books](#)). In fact, He promised that those we pray with these rosary meditations will receive the same amount of grace as those who were there for when the actual apparitions first took place!

**"Satan will flee before the invocation 'Mary, Refuge of Holy Love, pray for us.' This title is in itself a Spiritual Refuge. The more you will persevere speaking this little ejaculatory prayer, the deeper I will take you into my Heart. Let it be forever on your lips. I will convict souls in the areas of their lives most vulnerable to lack of love." -Mary, Refuge of Holy Love via [holyllove.org](#)**

**"Remember, the key to the First Chamber, which is the Immaculate Heart of Our Mother, is the ejaculation 'Protectress of the Faith, come to my aid'. The enemy of every soul takes flight before this most potent title, and temptations are readily vanquished." "See that the temptation to fear consumes Holy Love. Do not embrace any fear. Use Our Lady's title to overcome any worry."**

**-St. Peter via [holyllove.org](#)**

## 1. The Agony in the Garden.

**Jesus:** I knew full well every blow, every wound, the crowning, the crucifixion. I saw My mother's suffering. I knew all that would happen. I sweat blood. I suffered so much mental anguish for you, beloved one, for you. I said yes to all I knew would follow, yes to you, knowing how you one day would love Me, too. Oh, how I love you. Will you say yes to the suffering I send to you? Will you say yes to loving My beloved ones? Say yes to Me today. I loved you so.

## 2. The Scourging at the Pillar.

**Mary:** I am the Immaculate Heart. I love you with my tender Heart. I heard the blows they gave my Son. I could scarcely look up. I heard the blows, the awful blows. My Son stood in silence while they beat Him.

**Jesus:** All the whipping, all the brutality! The blows covered My entire body. I bled profusely. I stood in My own blood. These were My beloved ones who beat Me. They tore My flesh until it hung from My body and they laughed at their handiwork.

Do your brothers persecute you and say mean things to you? Do as I did. Respond with love. Anyone who is hating you is suffering from connectedness to Me. Pray for their conversion. Live to help them get to heaven.

**Jesus speaks:** "You must heed My words and you must spread them. The merit gained in the spread of these words will astound you because I am asking this of you and souls who do this work are saying "yes" to Me. I am grateful more than you realize, faithful ones. Now be brave and assist your brothers and sisters by giving them these words. You will be well rewarded in heaven." Please share this PDF with family/friends! **Jesus, I give to You with love, all my past crosses.**
