

## ***“There’s A Little Seed”***

*A Poem by “Little Gregory” dedicated to Father Bill (“Billy”)*

*There is truly a little seed  
A tiny seed of faith in you  
And though it may seem small now  
There’s no limit to what it can do  
For it grows with every prayer you whisper  
And amidst all the suffering you go through  
So even when you don’t know it  
Keep on surrendering and saying,  
“Jesus, I believe in You!”  
Because truly,  
There’s a little seed of faith  
Growing deep inside of you!*

*There is truly a little seed  
A tiny seed of hope in you  
And though it may seem small now  
There’s no end to what it can do  
For it grows with every sacrifice you offer  
And amidst all the sadness you go through  
So even when you can’t see it  
Keep on smiling and saying,  
“Jesus, I trust in You!”  
Because truly,  
There’s a little seed of hope  
Growing deep inside of you!*

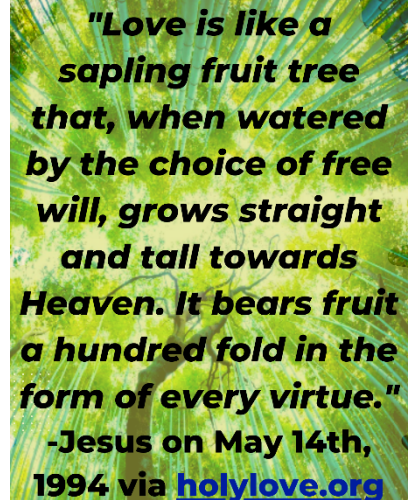

*There is truly a little seed  
A tiny seed of love in you  
And though it may seem small now  
There’s no telling what it can do  
For it grows with every kindness you render  
And amidst all the solitude you go through  
So even when you feel alone and afraid  
And you aren't sure about just what to do  
Keep on serving and saying-indeed singing-  
“Jesus, I love You!”*

*And moment to moment,  
day by day,  
week after passing week...  
This little seed of love will soon eternally be  
The biggest and strongest and tallest of trees  
Whose branches provide rest  
For the birds of the sky  
Whose fruits provide food  
For the creatures of the earth  
And whose leaves provide shade  
For all the other trees of the forest all around you  
...All of whom were once just little seeds too!*

*Truly,  
No matter how barren or bland or bleak  
Things might seem  
From your limited, latent, lowly point of view  
All of Heaven is secretly, silently, slowly at work  
Making the most beautiful, blissful, bountiful of trees  
With the seed that Jesus has planted in you...*

*You see,  
Even though now it may be hard to believe  
Believe, because after all, it is true:  
That there is indeed  
A tiny, little seed  
Of faith, hope, love  
And infinite possibility  
Growing deep inside of you!*

*Verse:  
The apostles said to the Lord, "Increase our faith." The  
Lord replied, "If you have faith the size of a mustard  
seed, you would say to this mulberry tree, 'Be uprooted  
and planted in the sea,' and it would obey you."  
-Luke 17: 5-6*

**"Love is like a  
sapling fruit tree  
that, when watered  
by the choice of free  
will, grows straight  
and tall towards  
Heaven. It bears fruit  
a hundred fold in the  
form of every virtue."
